EnergyCode Ace™

Helping you play your cards right

www.EnergyCodeAce.com

A website developed by the Statewide Codes & Standards Program to help you meet the requirements of Title 24 and Title 20

Ace Tools™

A variety of tools to help you identify the forms, installation techniques, and standards relevant to building projects in California

Ace Forms™

- Identifies relevant Title 24 and Title 20 compliance documents based on input of addition/ alteration project scope information
- Provides checklist to guide the user through the submission of required compliance documentation
- Identifies if project requires HERS forms to be submitted, indicating a HERS Rater is necessary

Ace Navigator™

- Step-by-step guide to the Title 24, Part 6 compliance process
- Laid out in an easy-to-follow flowchart
- Each step described in detail for the responsible party including links to resources, code language and tools to assist with compliance
- Download and print single subjects or the entire set

Crack TheCode Industry Workshop™

- Presentation package for building departments including all materials needed to conduct quarterly industry workshops
- Intended primarily to be presented by building departments to their local industry
- Other organizations, such as the CEC, could give workshops in localities where building departments are not able to do so

Ace Installation™

- Residential and nonresidential field guides to assist in identifying proper installation techniques and visual aides for some components commonly installed incorrectly
- Designed for Building Inspector and HERS Rater hard-copy use on-site
- Provides visuals of proper installation through photographs
- Field guide sheets can also be distributed by building department with building permits

Ace Reference™

- Helps users navigate the Standards and associated support documents using key word search capabilities, hyperlinked tables and related sections
- Includes glossary function to provide code definitions to more technical words and phrases
- 2013 version includes the Standards, Compliance Manuals and ACMs

SDGE A Sempra Energy utility®

SoCalGas A Sempra Energy utility®

SOUTHERN CALIFORNIA EDISON® An EDISON INTERNATIONAL® Company

PG&E Pacific Gas and Electric Company®

This program is funded by California utility customers under the auspices of the California Public Utilities Commission and in support of the California Energy Commission.
