

Title 20 Reference Ace

Title 20 Reference Ace (v14.8)

Thank you for your interest in the Title 20 Appliance Efficiency Regulations Reference Ace tool, sponsored by the California Statewide Codes and Standards Program. You may run the tool online via the Energy Code Ace website or locally, on your computer.

Note: Always check the CEC website to ensure you have the most current version of the documentation and forms.

INSTALLING THE REFERENCE ACE ON YOUR COMPUTER

1. Create a new folder for the Title 20 Reference Ace.
2. Open the "T20 ReferenceAce-v148.zip" file and copy (or drag) the "NetHelp" folder and all its contents to the destination folder.
3. Create a shortcut to launch the Title 20 Reference Ace
 - a. Right-click on your desktop and select New/Shortcut from the menu.
 - b. In the Shortcut Wizard, locate the "NetHelp" folder, and select the "Index.html" file. Click "Next".
 - c. Type "Title 20 Reference Ace" (or a name of your choice) in the name field and click "Finish".

You are ready to use the Title 20 Reference Ace. Simply double-click on the shortcut icon to launch it.

Installation Notes:

- Some Anti-Virus software may interfere with Reference Ace installation. Discuss the implications of temporarily disabling the software with your IT representative.
- If you install Reference Ace locally, it will not run in Chrome or Opera. It does display in those browsers in the online version (on the [EnergyCodeAce web site](#)).

USING THE REFERENCE ACE TOOL

Note: Use the Reference Ace carefully. Topics in the Regulations are hyperlinked, but the links are not comprehensive. There may be additional information about the subject you are researching in other topics that are not shown in the links. Use caution when searching the documents to ensure you have all relevant information.

The Reference Ace helps you navigate the Regulations and related documentation more easily, including the following features:

- HYPERLINKS: Jump to a referenced section with a single click.
- POP-UPS: Click on key terms to display the definition.

Title 20 Reference Ace

- **SEARCH:** Search for a word or phrase and all topics containing that term appear in a list. If you select the option, the term is highlighted within each topic. Use quotes to search for a phrase.
- **FAVORITES:** Because the Reference Ace runs in your internet browser, you may use the browser's "Favorites" feature to bookmark your commonly used topics.

CURRENT RELEASE: Version 14.8 of the Title 20 Reference Ace includes the Title 20 Appliance Efficiency Regulations as well as links to many of the test methods in the Code of Federal Regulations.

UPDATES AND NEW RELEASES: We continue to update the Title 20 Reference Ace and anticipate a new release two-to-three times a month through 2024. Click the envelope icon at the top right of the window to send us an email with your contact information if you would like to be notified of new releases when they are available.

QUESTIONS AND FEEDBACK: Send questions, feedback, or any technical issues to the development team using the email button in the application. Or send an email to: reference.feedback@energycodeace.com.

Reference Ace development is funded by California utility customers under the auspices of the California Public Utilities Commission.
