

Energy Code Ace is pleased to announce that print copies of our popular Application Guides can now be ordered – and you can still download them free of charge!

These short manuals include compliance requirements and recommendations for implementing Title 24, Part 6 in nonresidential and residential new construction, additions and renovation projects.

Nonresidential Process Equipment and Systems

Nonresidential Envelope and Solar Ready

Nonresidential HVAC and Plumbing

Nonresidential Lighting and Electrical Power Distribution

Residential Envelope and Solar Ready

Residential HVAC and Plumbing

Residential Lighting

To Download:

energycodeace.com/content/resources-ace/file_type=application-guide

Or simply go to our Resources page and filter for
“Application Guides” as the Type.

The screenshot shows the Energy Code Ace website interface. The main content area displays a grid of resource cards, each with a cover image and a title. A sidebar on the right is titled "Filter Available Resources" and contains several dropdown menus for filtering: "Resource Type" (set to "Application Guide"), "Standards & Regs" (set to "2016 Standard"), "Topics", "Building Types", and "Roles".

To Order Printed Copies:

www.Amazon.com and search for “Energy Code Ace” in “Books”

Please note that Energy Code Ace is offering our Application Guides for sale on Amazon merely as a distribution channel for printed copies. The program is not profiting financially from the sales of the guides, which are being offered at cost.

Visit **EnergyCodeAce.com** to find out how we can help you play your cards right by complying with California’s building and appliance energy efficiency standards. And while you’re there, register so we can keep you updated about our new offerings, and Title 20 and Title 24, Part 6 news.
