

Architects & Designers: Need help with the 2019 Energy Code? Try our virtual classes!

These virtual classes (online live) are designed to help architects and designers advance their understanding of California's 2019 Building Energy Code (Title 24, Part 6) and ease its implementation. They offer a clear roadmap of the compliance process, including how to administer and coordinate with the design team and energy consultant, and provide guidance on applicable Energy Code requirements for envelope, daylighting, mechanical and solar-ready design.

COST: NONE!
LOCATION: Online
CEUs AVAILABLE: 6.0 AIA HSW; 0.6 ICC

Both Residential and Nonresidential courses are delivered in 2 half-day sessions held on 2 consecutive days. Both sessions must be attended to complete the course.
